

EDITION 55 - RELIGION AS A SOCIAL DETERMINANT OF PUBLIC HEALTH

CALL FOR ARTICLES
Deadline: Summer 2024

HPHR Journal (formerly *Harvard Public Health Review*) has released new calls for submissions, each dedicated to a specific theme in the field of religion as a social determinant of public health.

We are especially interested in research, evidence-based editorials, videos, and/or written reflections leveraging innovative theoretical perspectives and methodologies.

We welcome submissions including, but not limited to the following topics:

- Impact of child marriage
- Conversion or reparative therapy due to religiosity
- Medical interventions due to faith
- Atheism in public health
- Religious healers vs. westernized medicine
- Barriers to healthcare due to religiosity
